

Weight	Price
20 kg	35 PLN
30 kg	55 PLN

The rates are increased by Fuel Fee [pol. opłata paliwowa] and Road Toll.

Information on how the Fuel Fee and Road Toll are calculated and their amounts is available at [www.pekaes.geodis.pl](http://www.pekaes.geodis.pl)

The quoted rates are net prices which shall be increased by VAT in accordance with the VAT Act.

#### HOW THE PRICE LIST IS APPLIED

1. The freight rate of parcel shipment:
  - weight per parcel 30 kg or less,
  - the longest side of the parcel – 1.75 m,
  - the sum of length, width, and height of a single package is 3 m or less.
2. Shipments whose items exceed the above-mentioned parameters are covered by the general cargo price list.
3. A shipment is the total quantity of parcels sent at the same time from a single place to a single address, under a single Proof of Dispatch.
